\$2.00 PER YEAR

A Half Million in Building Permits

Building Commissioner
Report Largest Building
Figures Since 1928

Building Commissioner Taege issued a permit this week for a \$27,500 home in Skarsdale to be erected on Banbury road, for Guy Henry, president of the Henry Valve Company of Chicago.

Paul Taege, Arlington Heights building commissioner, presented to the city council Monday evening an annual report showing receipts of his office totaling \$2,802.50, covering 97 permits. Fees for building permits totaled \$1,371, water taps, \$720, meters, \$540, water usage \$255, sewer taps, \$44, and curb permit, \$2.50.

The earnings of the building commissioner's office is not the really interesting part of Mr. Taege's report. Building operations passed the half million mark by fifty dollars divided as follows:

New building	\$424,853
Garages	7,650
Business buildings	4,500
Alterations and repairs	22,600
Total	500,050

Low Treatment Plant Costs

George Harris, engineer at the sewage treatment plant, had some interesting figures of his own, which he presented to the board. The plant handled 206,000,000 gallons of sewage during the past year. When flood conditions were present, the material was by-passed and no records taken.

The cost of operating the sewage treatment plant was only 56¢ an inhabitant for the past twelve months. This amount does not allow anything for plant depreciation, but represents the actual money expended for its operation and minor repairs.

Mr. Harris recently received his certificate as a class two operator issued by A. C. Baxter, chairman of the state sanitary board. Harris is one of 32 operators in the state to take the examination.

Following additional service he will automatically be awarded a class one certificate.

"Arlington Heights aldermen may have many worries, but the treatment plant is not one of them," says Alderman Studtmann, who credits Mr. Harris for its efficient operation.

Owners Ask For Vacated Alley

Chicago Title and Trust Co. has discovered that there are a number of garages between Vine and Elm on the west side of North Dunton that are placed on a supposedly vacated alley. Members of the board remember when the alley was vacated, but somebody forgot to properly notify the county of Cook. Attorney Thal will investigate and suggest remedy.

The street department will not be required hereafter to borrow a pipe pusher from Des Plaines or Mt. Prospect. The board authorized the purchase for \$100 of such a tool, which is useful when tunneling pavements with water leads.

Trailers Left Up In The Air

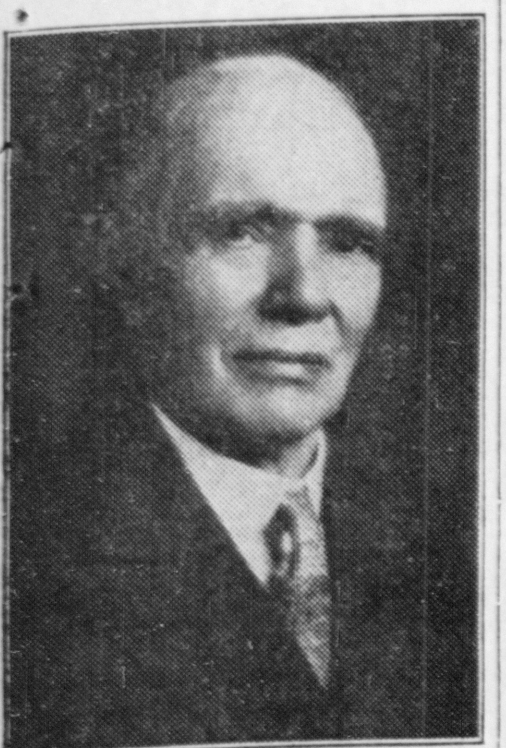

Attorney Thal presented to the board a comprehensive trailer ordinance that was supposed to be perfect, but the members of the board began picking flaws and the ordinance was referred to Alderman Studtmann for his recommendation at the next meeting.

Traffic Fines Total \$5288

Police department presented annual report of fines collected with the notation that Auditor Laurin had checked the report. There were 1,072 tickets written out with a return of \$5288 to the municipality.

Funeral Rites For H. S. Heise, Palatine Will Be Friday

Funeral rites for Henry S. Heise long time resident of Palatine, will be held Friday afternoon at the Palatine M. E. church. Interment will be in Barrington. Mr. Heise

had been seriously ill several months and passed away Tuesday afternoon.

Cartoons Are Original

Cartoons now appearing in the Paddock Publications are original drawings of A. H. Koch, of Palatine. Dr. Koch is a dentist with an office in Chicago. He took up drawing as a hobby and has frequently been urged to take it up professionally.

Dr. Koch gives punch to his cartoons with say more than mere printed words.

There is probably no other weekly paper in Illinois that is able to offer an exclusive cartoon service to its readers. Shall we continue it?

Urge Tax Payments Before May 18th

Township collectors are urging their patrons to make their tax payments to the home collectors before Saturday, May 18th.

The collectors are allowed by law to have their books for three weeks and their three week period will expire on or about May 18th, so the collectors are requesting that all taxpayers get their payments in to the local offices before the books are called back to Chicago.

The tax payers have shown an unusual willingness this year to pay early and the first week of collections showed a larger percentage for that period than for some years.

This applies not only to the town collectors, but also to Chicago where the long lines of taxpayers in the county office last week resembled a last week's rush to beat the dead line instead of the early days of the collection.

With such a condition prevailing the last minute rush may be lessened this year at both the township and Chicago offices.

All local taxing bodies are interested in getting their tax money as early as possible to meet outstanding obligations and the co-operation of the tax payers in paying at home is greatly appreciated by the local taxing units.

Spring Concert By Presbyterian Choir Will Be May 21

The mixed choir of the Arlington Heights Presbyterian church is presenting its annual spring concert Tuesday evening, May 21, at 8:00 p. m. in the parish hall of the church.

This group, under the direction of Mr. A. E. Johnson, has been singing together in its present form for almost three years but it is built on a foundation of younger voices who began their choir work under Miss Fern Lorenzen, now Mrs. Edward Elford of Peoria, six years ago.

The splendid co-operation of this group with its director has made possible some of the finest choir work in this community and its special concerts of sacred music at Christmas and Easter periods are memorable for their beauty and feeling.

Departing only once before from sacred numbers two years ago when it presented the operetta "Chonita," the choir feels that it is not too soon to present a program of secular music and this concert is planned on that theme with special attention to works that fit the times.

Included will be such well-known and loved compositions as "Drink To Me Only With Thine Eyes," "Trees," "The Land of Hope and Glory" and a special choral rendition of that new Irving Berlin patriotic number popularized by Kate Smith—"God Bless America." Conforming to the current celebration of Stephen Foster's anniversary a group of his better known works will be included in the program.

The program is open to all, there will be no ticket sale but an offering will be taken to help defray the cost of the special music.

City of Milwaukee Buys Arlington Trees

George Klehm made the last shipment this week of an order for 3,500 Moline elm trees, two inches in thickness. The Moline elm is strictly a Klehm-Arlington Heights product and its value is recognized in many of the larger park districts of the middle west.

When asked if the supply is unlimited, Mr. Klehm said, "there are thousands left, enough to supply the demand for many years."

Can She Weather the Storm?

Title Winning Amateurs On Redwing Boxing Card Friday

Arlington Baseball Club Promotes Fights At High School Gym

HENRY NICHOLS IN 124 LB. CLASS

by EDDIE WAHL

The boxing show this Friday evening at the Arlington Heights high school gym will be one of the best fight cards the C. Y. O. has ever presented anywhere. The Arlington Redwings baseball club who is sponsoring this "Night of Fights" demanded that the fans be given a program of bouts of the highest calibre. As a result every bout features at least one champion while some matches bring together two titleholders.

Originally the program scheduled eight bouts, but an extra one has been added so there will be nine battles instead. The officials have matched the various fighters so that a real fight is assured. Unless some fighter is injured during training the program will be made up as follows:

112 lb. Class

Harold Dade vs. Bertrand White
Harold Dade is truly described as the king of his weight. He won the Chicago Tribune Golden Gloves, Tournament of Champions, Intercity, and International Championships. His speed and hard punching have carried him to the heights of the amateur ranks. Bertrand White although not a title holder, will be Dade's opponent. White is good enough to put up a good fight and a victory would make him sort of an unofficial champion.

165 lb. Class

Curtis McDaniels vs. Isaiah Wells

In this heavier class Isaiah Wells who is the runner up in the Golden Gloves and present C. Y. O. champion meets McDaniels who was the champ last year. This is a natural match that promises to be one of the toughest fights of the evening.

124 lb. Class

Henry Nichols vs. Henry Vera

When Henry Nichols, the Arlington lad, who is well on his way to promising fight career, enters the ring against Henry Vera, he will have the fight he has been wanting for some time. Nichols was the runner up in the North section Golden Gloves tourney in Chicago, battling his way up by throwing a mean knockout punch. He has wanted to get a shot at Vera who is a novice (Continued on Page 8)

Arlington's Entry Challenges Champ

HENRY NICHOLS, of Arlington Heights.

Bill and George Are In The Money

Wm. Neumann and George Harris, members of the Arlington Heights team at the ABC bowling tournament are in the money with their scores of 587 and 593 respectively in the "singles" class. The prize money included a score of 571.

The Hartmann team was short 16 pins of making the grade to cash in the team events. They rolled 2620.

Lutheran Women To Meet at River Forest Friday

Three-Act Drama
Written By Rev. Fricke
To Be Presented

Lutheran women throughout northern Illinois, will gather for the fifth semi-annual mission rally Friday, May 17, 1:15 p. m. in the gymnasium of Concordia Teacher's College, River Forest.

This rally is sponsored by the Lutheran Women Mission Endeavor comprising 72 member societies with a total membership of 9,000 women. The society is active in the field of missionary education to promote greater interest in the various mission endeavors of the church. It is also gathering funds for special mission projects. Recently \$6,000 was donated for the erection of a chapel in Chinatown.

The delegates, meeting at 11 a. m. will consider a new proposition of providing funds for the erection of women's and children's ward as an addition to the mission hospital at Ambur, India. This institution is under the direction of Dr. Norbert Leckband, a former resident and medical practitioner of Arlington Heights.

Features of the mission rally are an original three act drama written by Rev. H. C. Fricke, "The Family Altar," and an address by Rev. Wm. Schweppce, missionary from Nigeria, Africa.

A large group of ladies from Palatine, Arlington Heights, Mt. Prospect, and Des Plaines, will attend the rally. Mrs. John Busse of Arlington Heights, is the corresponding secretary of the district society.

Lutheran Laymen Father-Son Banquet Is May 17th

Annual Father and Son banquet of Arlington Heights Lutheran Layman League will be held Friday, May 17, Rev. Wittmer, Rogers Park, will be the guest speaker. A clown magician will furnish other entertainment.

Elect New Officers

G. H. Wilke was elected president of the league last Friday. Other officers are: Geo. Schimmin, vice president; Ed. Janusch, treasurer; Ralph Meyer, secretary; W. Kroeber, corresponding secretary; J. D. Flentje, Wm. Mueller, Ralph Kittle, board of directors.

Health Confab To Be Held Thursday

All Physicians, and Interested Civic Bodies Invited To Attend

The placing of the Arlington Heights health service on a solid foundation may be brought about by action to be taken this Thursday evening when all the local physicians and representatives of local civic bodies interested in health will attend a conference called by Mayor Gentile in the municipal building.

In past years the local board of health has admittedly been an organization in name only and seldom held meetings and kept few records. Aside from the desire of the health officer to follow the state health requirements, there has been no concentrated effort to designate a director, head responsible for the health of the community.

A local nurse is furnished by the CTI, and her salary is paid from a small tax, and from contributions by the village and local school bodies. She is supposedly responsible to a volunteer health committee, but that committee in turn has no legal authority to enforce any rules that it may formulate.

It is for the purpose of remedying these conditions and to set up a definite health body that the conference Thursday is being held.

Commenting on the situation, a local doctor says, "Arlington Heights is big enough to have an operating board of health. When the recent emergency arose, four cases of scarlet fever in one school room, quick action was necessary. Fortunately the board of education took prompt action to guard against a spread of the disease. There have been no additional cases, which would probably have resulted if the school board had not assumed responsibility. The next time several schools might be effected. A centralized authority over the entire town is the only right way to safeguard the health of the community and its children."

There has been little contagion during the past municipal year, that closed April 30. August Becker, local health officer, reported to the village board that the local physicians had reported to him 80 contagious cases as follows during the past twelve months:

Whooping cough 27; Pneumonia 10, Influenza 1, Mumps 1, Measles 1, Scarlet Fever 25, Chicken Pox 6, Infantile Paralysis 1, Eczema 1, Diphtheria 1, Dog Bites 21, Typhoid Fever 1, Tuberculosis 2, Cerebral Hemorrhages 1.

More About The Gay '25s

Palatine, Mt. Prospect and Arlington Heights, got off to flying starts with the arrival of May fifteen years ago. The files of the Cook County Herald for the week of May 8th are fairly bubbling over with enthusiasm.

Axel Lonnquist predicted in a signed story that Mt. Prospect was destined to become a beautiful suburb. The county board had just voted \$250,000 towards paved roads for pavement extending through that suburb.

The baseball season opened the previous Sunday when Arlington defeated Des Plaines 2 to 1.

Arlington Theatre opened its doors for the first time May 1 with Fern Lorenzen at the organ. Otto G. Heimann invested \$54,000 in the movie show house.

For the first time in the history of Arlington Heights high school a track team representing it, won a meet. The victory was Libertyville 57 to 55.

Oltendorf Construction Co. was awarded contract for bridge over Des Plaines river at Palatine Rd. Judge Jarecki called an election to form the Arlington Heights Park District.

Chas. Dinse opened his bowling alley and on that early day, urged the ladies to take up bowling, something that he has been urging ever since.

A half column story says "New Depot and better babies is Mt. Prospect aim." There followed a story of the need for a new depot and steps taken to aid infant welfare.

New York Attorneys Come For Board Meeting; Leave Before It Starts

Representatives of the Spencer-White organization, which built the big sewer were in Arlington Heights a few minutes Monday night. They supposedly came from New York assuming that the Arlington Heights Board was prepared to take official action on the plan to authorize the judgment sale of the former Guld farm, which is loaded down with special assessments and taxes.

When they learned that the owners interested, were only willing to pay the holders of the big sewer bonds 10¢ on delinquent payments and 50¢ on the others, they left in a huff. Their attitude may wreck the plan to develop the tract and get the property back on tax lists.

Plant Changes At Creamery Package

Modern Methods To Increase Production and Aid Personnel

Morgan Buford, recently appointed manager of the Arlington Heights plant of the Creamery Package Co., is looking forward to a happy relationship between himself and the other business men of the town and to closer association between his company and the business interests of the community. He received his personal introduction to Arlington Heights at the Lions club meeting Tuesday evening.

The Creamery Package Co., through its pay roll checks, has been an integral part of Arlington business life many years, but hereafter that company will take an active interest in the business and civic life of the community.

In discussing his new job, Mr. Buford made it plain that the Creamery Package Co. is vitally interested in the local affairs of the communities in which their factories are located and the home life of their employees.

Mr. Buford believes that personal contacts between the manager's office and individual employees is one of the things that build up a successful manufacturing plant and he intends that the Arlington Heights plant shall become the banner plant of the company.

He is already making plans for a company baseball team and perhaps next fall there will be a bowling team. He has invited employees to visit his office. Periodical meetings of foremen are held, production experts are making a survey of manufacturing conditions and the men realize that increased efficiency will benefit both them and the company.

The principal product of the local plant is milk cans and the new manager expects to be able to make economies in manufacturing cost and improvements in product that will create a world wide market for milk cans manufactured in Arlington Heights which he thinks is destined to become known as the milk can manufacturing center for the entire world.

The business office of the plant will soon be modernized. Changes in the plant itself will await reports of efficiency experts and plan for the introduction of a production line. There is a lot of acreage in that building and Mr. Buford believes that with the rearrangement of machinery and other changes there will be ample room for possible introduction of other equipment that will make possible the manufacture of other lines which in turn will stabilize employment throughout twelve months of the year.

"Hit the ball" is the rule that the new manager applies to himself and to those under his direction. "We can be happy while we are doing it," says Mr. Buford "and meanwhile have a bit of fun."

Mr. Buford has been connected with a number of the larger steel and copper companies in the middle west and has been with the Creamery Package company a comparatively short time. His present home is in Wilmette, but he expects to become an Arlington Heights citizen as soon as conditions warrant the change. In the meantime he wants to be considered "one of the boys about town."

Arlington Heights — Yesterday Today and Tomorrow

A booklet setting forth the history of Arlington Heights, its growth, present civic position and prospects for the future is in progress of publication under the auspices of the Arlington Heights Trade and Civic association. It is being printed primarily to acquaint new comers and prospective residents with Arlington Heights.

The booklet will contain a list of members of the association and the classes of business in which they are engaged.

The booklet will not be released for publication until the present membership drive of the association is completed. R. F. Wilke, chairman of the committee reports excellent responses from the business men who have been visited.

Walther League Has Own Department In Paddock Publications

Northwest zone of the Walther League will hereafter have a department of its own in the Paddock Publications. Miss Arlene Nagel, zone publicity chairman, will edit the department, assisted by Leola Rittmueller, Bensenville; Evelyn Schmolow, Palatine; Loretta Meyer, Roselle; Leona Fiene, Itasca; Anna Tiche, Schaumburg; Mildred Zimmerman, Higgins-Candfield; Walter Bloetner, Niles.

The department makes its bow to the public in this week's issue. The growth of the Walther League and its recognized need of publicity brought about the decision of the committee to seek a medium for news that is read by the general public.

Expect Biggest Youth Parade In Arlington

Legion Leaders Looking Forward To June Ninth

When the fifth annual youth convention and parade is held Sunday, June 9 at Arlington Heights, American Legion leaders say that it will mark the biggest event of its kind ever staged.

Already the committee reporting indicate that the number of bands, drill teams, drum and bugle corps and marching units will practically double those taking part last year boy scout troops, cub packs, sons of the American Legion Squads, campfire girls, girl scout troops, Juniors of the American Legion auxiliary units through out the 9th district; community youth groups of various organizations, sea scouts, R. O. T. C. groups, etc., will participate. A complete entry list will soon be announced.

Victor A. Pecchia, junior vice commander of the 9th district has been named chairman of the youth convention because of his fine work last year. He has appointed the following assistants: secretary, Clifford Carlson; finance, Paul E. Carroll and Mrs. Cathryn Olson; publicity, Leo J. Kelly, Lawrence Inkster, Mrs. May Lady and Mrs. Lola Charleston; convention program, Joseph L. O'Brien; promotion Irwin Harlan, Mrs. Bernice Forrest, Thomas Inglsby and Harry McNamara; advisory, Francis D. Scully, Lloyd Cunningham and Mrs. Eda Zimmerman.

Public and Firemen Both Enjoy Dance

"If the general public had as good a time as the members of the fire department at their dance in the field house last Saturday," we are happy," says Chief Jahn. "We can not thank the public enough for their fine cooperation: we made some money and it will be expended for the improvement of the department."

The above tells the story of the firemen's dance. With the firemen happy, the public pleased, "huff" said.

Find Federal Jury Service Interesting And Profitable

W. Kastning, Arlington Heights, is serving his fourth week on federal grand jury. Fred Kropp, Lake Zurich, has been making daily trips to the court house for the same purpose, over six week.

John H. Schaefer, Arlington Heights, has completed his service on the federal April petit jury.

Boettcher Erects New Show Room At Greenhouse

Irving Boettcher, proprietor of a green house on Route 58, west of Arlington Heights road, has erected a show room, 34x21, all under glass. He will carry a large line of bedding plants and flowers and will cater to retail trade to a greater extent than formerly.

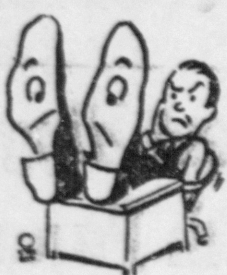

National Beverage Week May 12-18

Next week is a good time to drink Arlington Club beverages. It is national beverage week, which is being observed by F. W. Muller Sons, who have manufactured soft drink beverages in Arlington Heights the past 68 years. They sell 13 beverages which are on sale at a majority of the local Arlington Heights stores.

CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" was the
subject of the Lesson-Sermon in all
Churches of Christ, Scientist, on
Sunday, May 5.

The Golden Text was, "The way
of the Lord is strength to the up-
right; but destruction shall be to
the workers of iniquity" (Proverbs
10:29).

Among the citations which com-
prised the Lesson-Sermon was the
following from the Bible: "Seek ye
the Lord while he may be found, call
ye upon him while he is near: Let
the wicked forsake his way, and the
unrighteous man his thoughts: and
let him return unto the Lord, and
he will have mercy upon him; and to
our God, for he will abundantly par-
don" (Isaiah 55:6, 7).

The Lesson-Sermon also in-
cluded the following passages from
the Christian Science textbook,
"Science and Health with Key to the
Scriptures," by Mary Baker Eddy:
"The destruction of sin is the divine
method of pardon. Divine Life de-
stroys death. Truth destroys error,
and Love destroys hate. Being de-
stroyed, sin needs no other form of
forgiveness. Does not God's pardon,
destroying any one sin, prophesy and
involve the final destruction of all
sin?" (p. 339).

Famous Author Pens Mother's Day Tribute

A TRIBUTE to an American mother is not news but, at the same time, it is part of the solid basis on which this country is built. The courage of pioneer mothers, the endurance of mothers who helped their men settle the Western states where livings had to be wrested from earth that fought back savagely, have flowed into the veins of present-day mothers who no less must solve the problems, different though they may be, and hand down the American way to their children.

"Mama, you can even get sick on this trip if you want to." Such an odd indulgence is thoroughly understood by grown-ups who remember mothers who always seemed to be on hand, night and day, when the entire family was down with some malady or other. Such is the cry that came from the heart of Mary Margaret McBride who took her mother on a European trip a few summers ago. This is Miss McBride's first year without her mother but she remembers her tenderly in an article "My Mother's Day" in the June Cosmopolitan.

For instance, on that European trip, Miss McBride's assignment was to write a story about exiled royalty. She remembers that royalty meant little to her mother except that she felt sorry for the nostalgic king "who carried with him some ground from his former kingdom."

Again the daughter remembers: "If she wasn't sweeping or stooping over a dustpan, she would be baking bread, churning butter, making rag rugs, stirring up lye soap in great granite kettles, canning the winter's supply of preserves, pickles and ketchup, bending through the long winter night over a baby with the croup."

Such is the stuff of which mothers are made. And thousands of Americans will join Mary Margaret McBride in her tribute to the mother who ended her days finding things she could do for other people.

Living Within Your Strength

By C. W. Lussman of Sieburg Pharmacy

"Earn a little, spend a little less" has been described as happiness. The same rule can be applied to health.

As the years advance, plan to live within your strength. Your mind plans projects, your ambition dictates constant activity in order to accomplish your life's work. But there is a limit and to cross this limit with ceaseless striving is to cut short the precious span of life.

Paralysis, brain tumor, serious heart conditions need not threaten if you live within your strength. Consult a medical doctor for advice on living sensibly. Where medication is ordered, patronize a good drug-gist.

Accordion Band and Guitar Clubs Present Music Festival May 17

by Elmer D. Herrick

The Northwestern Guitar club and the Northwest Accordion band will stage their annual spring music festival at the Wheeling school gym, Friday evening, May 17, this year starting promptly at 8 p. m.

The concert will feature a guitar orchestra of about fifty pieces this year and an accordion band of about thirty members. Club members will attend from Park Ridge, Des Plaines, Mt. Prospect and Arlington Heights, as well as from towns north to Libertyville and Mundelein and south to Downers Grove and Villa Park.

The first portion of the program will be devoted entirely to string music, featuring several quartets which are gaining local prominence; there will be variety in the songs ranging from the latest popular tunes to standard and hill billy numbers. The Honolulu Studio orchestra of twenty-five will present several well-known selections.

The last part of the program consists of a minstrel show by the accordion band. There are rib-tickling jokes galore and plenty of accordion music played the way you like to hear it. Featured will be the trio of Wayne Kruse and Howard Spaulder of Mt. Prospect and Norman Stadler of Arlington Hts., a duet by Alice Ortel and Ruth Roelkebach of Wheeling which will be a real surprise; and—but we hadn't better mention any more; you'll see for yourself!

Admission charges are 25 cents and 10 cents, purposely kept low so everyone can come; these concerts are not organized for profit and in spite of capacity crowds, none of them have ever made a profit. In Arlington Heights, tickets are for sale by Agnes Kolling, Ollie Lake, Louis Grupe, Norman Stadler and Florence Herrick.

For the benefit of those who like to keep abreast of the latest in popular music these days, we are publishing a list of songs compiled by one of the large music publishers in Chicago which are the biggest hits of the current month. These selections are based on actual sales of music. Here is the list:

HONORING A GREAT LADY!

It's our sincere belief that mothers are truly the noblest people in the world. But because this is a busy and very often a disconcerting world, we too often forget what mothers mean to us and our success. Next Sunday is Mother's Day and our thought is "Best wishes to Mother . . . and may we all remember her."

Palatine Womans Club Wins District Prize

Scrapbook Takes First For Neatness And News Coverage

Paste pots and scissors have given way to the gayer tones of blue, red, pink and yellow ribbons for scrap-books in the press department of the 7th District.

The scrap-books which have been the problem children of most of the club press chairmen during the past year were called in for the district contest awarding May 3. Judges for the contest were: Mr.

Stuart R. Paddock, publisher of the Cook County Herald, and affiliated newspapers, Miss B. Torset of the Edison-Norwood Review and Mrs. Charles R. Holton, president of the 7th District. Mrs. E. A. Noyes, 1st vice-president of the district and Mrs. John Muszynski, past press chairman of the 7th district served as counsellors.

Senior club scrap-books were classified in four groups according to membership and all books scored on: 1. Volume of news, (yardage). 2. Constructive value of news as in-

dictated by survey of clippings. 3. Neatness of arrangement of clippings. 4. Appearance and durability of book. 5. The club press chairman's adherence to the outline for arrangement of books issued by the state chairman of contests, Mrs. Ivan ReVeal.

The awards made were: Group "C," clubs of 350 to 600 members, 1st prize, Irving Park Group "E," 100 to 200 members, 1st prize Albany Park 2nd prize Edison Park, honorable mention Barrington and Portage Park. Group "F," clubs of 50 to 100 members, 1st prize Palatine, 2nd prize Mt. Prospect, and honorable mention Irving Park Sorosis. Group "G," less than 50 members, 1st prize, Parkside, 2nd prize Hermosa, honorable mention Belmont W. C.

In the junior division the award of the pink ribbon, 1st prize went to the Irving Park Catholic Junior Woman's club and the 2nd prize yellow ribbon to the Irving Park Catholic Young Women's club.

Correct Glasses
IMPROVE YOUR APPEARANCE
Ugly spectacles have gone the way of hoop-skirts and mustache cups. No longer need one slum glasses because they detract from appearance.
Nowadays, eyewear is designed like fine jewelry—delicately and gracefully. There are styles to blend with every shape of face—styles that are inconspicuous and becoming.
Come in and see these distinctive glasses. And if your eyes haven't been examined recently, do that now, too.

Northern Illinois District WALTHER LEAGUE

News items for this department should be mailed not later than Monday to Publicity Chairman, 304 N. Douglas St., Arlington Heights. ARLENE NAGEL Publicity Chairman

At their monthly business and social meeting on May 6 the Senior Walther Leaguers of the Arlington Heights Lutheran church held their election of officers for next year. Richard Niemeyer was re-elected president, and the others elected into office were: Ruth Gehrs, vice president; recording secretary, Arlene Nagel; corresponding secretary, Lorna Meyer; treasurer, Bernice Wolf; librarian, Herbert Heinemann; board members, Amanda Kolb and Ted Meyer.

A number of young people were voted into membership. These were Ruth Hoefft, Ruth Schwolow, Lydia Miller, Donald Jaacks, Al Remus, Leonard Ratelecke, Melvin Ratelecke, Herbert Behrens, Gertrude Hinz and her committee had the members present participate in a very exciting track meet for the social portion of the evening. George Hohmann walked away with the first prize. At the close of the meeting hamburgers and coffee was served. Herb Heinemann was chairman of the refreshment committee this month. Seventy-six members of the Wal-

ther League of the Northwest Suburban Zone took advantage of the beautiful weather last Sunday and went on an eight-mile hike along the Des Plaines river.

The hikers met at the Elmwood Park church. Then they went along 75th Court to Schiller's Woods, through the woods, along the river and over to Irving Park blvd. and River rd. After resting their weary bones at the intersection, they started back. At the Zoar church they were met by twenty-five members of that League who had prepared a delicious supper for the tired but happy hikers. Miss Lorraine Neumann, president of the Zoar Walther League and her crew did a splendid job of preparing and serving such a large group.

The Leagues represented were: Arlington Heights—16; Barrington—7; Des Plaines—5; Elmwood Park—25; St. Andrew, Park Ridge—11; River Grove—12; Bensenville, Higgins-Canfield, Itasca, Niles, Norwood Park, Palatine, Redeemer-Park Ridge, Roselle, and

Schaumburg Walther Leagues also are members of the Northwest Suburban Zone, but they were not represented on the hike. Miss Pauline Gehrs, recreation chairman of the Zone, deserves credit for her efforts in planning and making all arrangements for the hike. All the Leaguers are looking forward to another one later on in the season.

Can Expect Increase In Lot Prices At Euclid Lawn Cemetery

Ernest Studdmann is the new representative of Euclid Lawn cemetery association which announces this week that the present scale of prices are subject to an early advance. The prices at Euclid Lawn are lower than those charged in most cemeteries and Bellett Lawson, secretary-manager, stated Tuesday that they would be materially advanced in the near future. Euclid Lawn is finely maintained and will appeal to any family without a family burying place. Mr. Studdmann is qualified to quote terms.

Mourning Dove Habits

The best way to measure the growth of a nestling mourning dove is by recording the length of the wing, according to scientists of the American Wildlife Institute. This fact was developed at an Alabama co-operative wildlife research, demonstration and management unit. Nestling habits of the mourning dove are being closely studied at this and other co-operative units of the institute in an effort to determine with scientific exactness just when the birds rear their young. In many localities it has been found that the open season on the doves is being set during a period when the birds were still nesting. Thus, each dove taken leaves a family of nestlings to die of starvation.

Pony Express Stations

At first the Pony Express stations were 25 miles apart. Each rider covered three stations or 75 miles daily. Later intermediate points were established.

Village Board Meeting

The regular meeting of Village board was held Tuesday night with all members present with the exception of John Binkley, who has moved to Highland Park. The vacancy caused by his removal will be filled by a special election to be held June 25, at which time one trustee will be elected for the unexpired term of two years. A resolution was approved to forward to Mr. Binkley a vote of thanks for his fine service rendered the Village during his time in office.

The contract for completion of the audit was awarded to Pierce and Granata, certified public accountants.

Annual Spring Card Party

Given by Mt. Prospect Catholic Woman's Club

The third annual Spring Card Party to be given by the Mount Prospect Catholic Woman's club, Friday evening, May 10, at the Mount Prospect Country club, promises to be another gala event in the many interesting activities of our community.

Those who attended the card party given by the Catholic Woman's club last spring will remember what an enjoyable affair it was.

There will be a prize for each table, and many beautiful gifts have been obtained for door prizes.

The Catholic Woman's club is composed of a small group of Catholic women of Mount Prospect and Prospect Heights who have banded together to further the purpose and work of their church and to lend whatever charitable assistance they can regardless of creed or affiliations. The club has already contributed in several ways to charitable requests and their efforts toward the good of the community deserve favorable consideration.

Admission tickets include an opportunity to win the door prizes and refreshments consisting of sandwiches, cake and coffee, and may be obtained from any member of the Mt. Prospect Catholic Woman's club or at the door.

South Church Holds Annual Business Meeting

New Officers Elected Last Wednesday

On Wednesday, May 1, the South church held its Annual Dinner and Business meeting at the church. The "International Dinner" served by the Guild proved a great success and was well attended.

At the business meeting which followed the dinner annual reports were made by all officers and board chairmen. Reports indicated the completion of an active year's program and an encouraging outlook for the coming church year.

New officers elected for the coming year were: Moderator, Mrs. L. G. Johnson; clerk, Miss Lorraine McCoy; treasurer, G. Scott Crawford; church school superintendent, D. J. F. Lee. New members elected to the various church boards include: Woman's Board, Mrs. F. H. Guy and Mrs. G. F. Cunningham; Board of Stewards, F. H. Guy and R. R. Lockwood; Board of Trustees, C. L. McCoy and L. W. Kester; Board of Religious Education, Mrs. H. G. Gemmill.

Seven goals of achievement for the next twelve months were outlined by the pastor and approved by the church. The church looks forward to a full year of activities in Christian service to its membership and its community.

Men's Club Dance Saturday, May 11

The Mount Prospect Men's club Annual Spring dance will be held this Saturday, May 11, 1940, at the Mount Prospect Country club.

Earl Friedrichs and his orchestra will provide the dance music and arrangements have been completed to provide an enjoyable evening of dancing and fun for all who attend.

If you haven't obtained your tickets, they may be purchased by calling any member of the Men's club or by calling N. Gilbert, Wm. T. Mott, or Ed. Danish, dance committee members.

The Men's club expects this dance to be one of the best given in town for quite some time, and so they want everyone to be on hand Saturday, May 11, for a good time.

Hurry up and purchase your tickets so that you will be on hand when the music and fun commences.

Mt. Prospect Women Place In Bowling Sweepstakes

Two women bowlers of Mt. Prospect, Illinois, won places in the recently completed coast-to-coast \$5,000 Queens Handicap Sweepstakes.

Best of the Mt. Prospect bowlers was Miss Hazel Schuler, who, rolling on the Mt. Prospect Bowling Recreation alleys, gathered a score of 1,798 to win 313th place in Section 2 of the Queens, for a prize of bowling shoes. Section 2 includes Minnesota, Iowa, Missouri, Kentucky, Tennessee, Mississippi, Arkansas, Louisiana, Wisconsin, Michigan, Illinois, Indiana, Alabama, Georgia and Florida.

Other Mt. Prospect winners were Miss Sorene Petersen, Mt. Prospect Recreation 476th place, score 1777.

Poppy Day At Mt. Prospect May 27

Poppy Day will be observed in Mt. Prospect and throughout the nation on May 27, the Monday before Memorial day. Mrs. E. Hauptly, president of Mt. Prospect Unit of the American Legion Auxiliary, announced this week. On that day all Americans will be asked to wear memorial poppies in tribute to the World War dead and to aid the living victims of the war.

The little red memorial flowers will be distributed by women of the Mt. Prospect Unit, under the direction of Mrs. P. Gilson, chairman of the Poppy Day committee. All contributions received for the poppies will go to Legion and Auxiliary welfare work for the disabled veterans, their families and the families of the dead.

"We feel that Poppy Day will have increased meaning to America this year," said Mrs. Hauptly, "because renewed warfare in Europe has renewed the memory of those boys of ours who gave their lives 'over there' twenty-two years ago. It is for them that we put on the poppy each year, to show that we still remember and honor their sacrifices. It is the flower which grew where they fell and which now blooms on the coats of Americans who appreciate their service."

"Events of the past year have shown us clearly that to be secure the United States must have men ready and able to defend the country, willing to give their lives in its defense, if necessary. We can be thankful today that we had such men twenty-two years ago. From them we can draw inspiration for the patriotic service necessary to maintain our freedom and democracy against today's dangers. Wearing their flower over our hearts means that within our hearts their love of America still lives."

As in former years the V. F. W. Auxiliary and the American Legion Auxiliary will cooperate in the sale of Poppies in the Village of Mt. Prospect.

Caucus Held Monday Evening

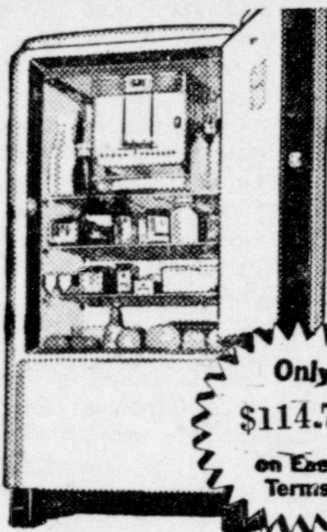

Because of the extremely poor turnout to the caucus held last Monday evening no nomination was made for a candidate to fill the vacancy on the Village board caused by the removal of Mr. Binkley.

It was decided to appoint a committee for the purpose of canvassing the citizens of Mt. Prospect to find a suitable candidate for trustee.

The committee is composed of S. Harrington, chairman, E. D. Baskin, E. Glaser, H. H. Motzer, and H. Wilson. These men will endeavor to investigate and present a candidate of integrity and ability to the caucus which will meet at a future date.

It is hoped in this manner to avoid "factionalism" at this time as harmony is vital to the successful solution of the "inherited troubles" confronting the Village.

Our Sales are Swell-
and so are the deals
your Buick dealer
is making!

What to do when
the bug bites you!

Buick prices \$895* for Business Coupe (Illustrated)

FIGURES show that about one out of every five able-to-purchase new-car buyers really wants a Buick more than any other car.

Not all will buy one.

Too many of them without even getting actual figures will shake their heads and sigh, "Nope! A car that big and handsome must be out of my reach!"

You'll be smarter than that, we know.

When the bug to own a Buick bites you, you'll figure that a car as talked-about as Buick must be looked at first—if you're going to have anything to go on in judging 1940 values.

You'll realize it doesn't cost a cent to find out how one feels under your own hand and what the delivered prices are.

So you'll walk in, please, to the nearest Buick dealer and boldly say:

"Let me have a good look at that car that's showing the rest of 'em what modern style is.

"Let me try out that big straight-eight engine that's electrically balanced after assembly for smoothness to match a wrist watch's works.

"Show me those big soft coil springs you talk about and how they smooth out that rough stretch down the street — and what's the business about recoil-mounted Knee-Action, heaviest frames at the price, five-foot front seat room in SUPER models, and six dozen new 1940 features?"

When you've got the answers through a good long ride—ask one more question: "How much?"

Current prices start at \$895* for the business coupe, delivered at Flint, Mich. To this add transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories—though there will be few such "extras" you'll need.

That totals up to low delivered prices that are often only a few dimes more a day than on cars in the lowest-price class—so why hesitate or haggle?

When the bug bites you, get the facts—and you'll get a Buick and be happy!

Miss Ruth Zinke Weds Leo Hoellen, Chicago

Mrs. Noyes Is Honored By District Clubs

Mrs. B. A. Noyes, first vice president of the 7th district Woman's club of which Arlington Heights is an important part, is very busy these days attending luncheons and social affairs of the various clubs in the district, as a special guest. This week she will be a guest at the spring luncheon of the Norwood Park Woman's club, which will be held in the club rooms of the Chicago Woman's club. She will also be a guest this week of the Irving Park Catholic Woman's club at the Edgewater Beach hotel when luncheon will be served in the Marine dining room.

Miss Ruth Zinke, daughter of Mr. and Mrs. Otto A. Zinke of 505 Banbury road, Scarsdale, was married Saturday evening at 7 p. m. in the Bethany Evangelical church in Chicago, to Mr. Leo Hoellen, son of Mr. and Mrs. Frank Hoellen of Chicago.

Rev. Henry Dinkmeyer performed the marriage service before an altar banked with palms and ferns with tall white candelabra and white gladioli completing the altar arrangement. White candelabra and white gladioli graced the aisle to the altar, down which the bridal party passed.

Preceding the ceremony, Mrs. Frank Schuetz, cousin of the bride, sang "Because" and "At Dawning," and the wedding march was played by Mrs. Hernandez.

The bride, who entered the church on the arm of her father, was gown in ivory satin and the cap of her tulle veil was held in place with a wreath of orange blossoms. She carried a shower bouquet of white roses.

Miss Dorothy Zinke, sister of the bride, served as maid of honor and wore a gown of yellow mousseline de sois. Her flowers were tansman roses.

Miss Elizabeth Wilkins of Grenada, Mississippi, Miss Dottie Steville, of Chicago, and Miss Juanita Hansen and Miss Lucille Brodie also of Chicago, served as bridesmaids and were gown alike, in aqua mousseline de sois and carried tansman roses.

Mr. Ted Hoellen was best man for his brother and the ushers were Mr. Robert Meilke, Mr. Hugh Wilson, Mr. Earl Keone and Mr. Richard Moser, all of Chicago.

Following the wedding ceremony a reception was held for 125 guests at the Georgian Hotel, in Evanston, where dinner and dancing was enjoyed.

The mother of the bride was gown in blue embroidered net and the groom's mother wore a blue lace and crepe dress; their corsages were of mixed spring flowers.

The bride attended the University of Mississippi and since that time has been at home with her parents in Chicago, and Arlington Heights, where they have lived for the past year. The groom attended North Park College in Chicago and is employed by the DuPont Company.

The bride wore navy and white for her going away dress with a navy hat and tulle coat, her flowers were orchids. After a three weeks trip through the East and South including a trip to Bermuda, the young couple will be at home at 2726 West Lunt Ave., in Chicago.

Out of town guests at the wedding were from Wisconsin, Iowa, New York and California.

Parties For Miss Zinke

Miss Ruth Zinke, who became the bride of Mr. Leo Hoellen of Chicago last Saturday evening, has been a guest of honor at many pre-nuptial parties in Chicago and Des Plaines during the past few weeks. Two recent events in Arlington Heights were a tea in her honor and the bridal dinner. Miss Dorothy Zinke and Mrs. Otto Zinke entertained fifty friends of Miss Zinke's at a tea on Sunday, April 28 and the bridal dinner was given at the Zinke home on Thursday evening of last week, followed by the wedding rehearsal in Chicago.

Call Edith Atkinson, tel. 567, for club and social items for the Arlington Heights Herald.

Miss Winifred Wensley was home for the week-end from her studies at Milwaukee Downer College and attended the Junior Prom at the high school.

Mr. and Mrs. Henry Schuetz were hosts to their card club Saturday evening. Dessert was enjoyed at eight o'clock and Mrs. Roy Dobbins and Mr. A. L. Aschcraft received high score for the evening at cards.

St. John's Ladies Aid Plans Fancy Goods Exhibit

The Ladies' Aid Society of the St. John's Evangelical church are planning to have a fancy goods exhibit on the afternoon and evening of May 25 in the church basement.

Every kind of fancy goods, old and new, will be on display, including quilts, rugs, crocheting, knitting and many others. Entertainment has also been planned for this event, and refreshments will be served and a door prize will be awarded to someone. Admission will be 25c.

Film on 'Romance Of The Bible' At Lutheran Hall

If you are interested in learning how the Bible, that perennial best seller is written in the many foreign languages, how it is published and distributed throughout the world, plan to attend the sound movie which will be shown in the Lutheran School Hall on Monday evening, May 13, at 8 p. m. No admission charge will be made, but a free will offering will be taken to defray expense in presenting this interesting picture.

The film is produced by the American Bible Society and has received acclaim wherever it is shown. The public is cordially invited to attend.

Fidelis Circle To Meet Tuesday

The Fidelis Circle of the Methodist church will meet Tuesday evening, May 14, in the church parlor and Miss Carey Clark will give a talk on Home Making.

American Legion Auxiliary Notes

Junior Prom Is Colorful Spectacle As Classmen Don Best 'Bib And Tucker'

The high school gymnasium of the Arlington Heights high school was a colorful spectacle Saturday evening, when the junior class were hosts to the senior class at the annual Junior Prom. Underclassmen and alumni were also present as paying guests.

Gay colored balloons, cellophane decorations and soft colored lights made the room an attractive setting for the girls in their formal dresses and their beaux in their best "bib and tucker."

The Junior Prom is probably the most important social function of the high school year and bids are treasured for months in advance.

The grand march at ten o'clock gave the parents who came to sit in the balcony for a short time, a good opportunity to view the young people in their party clothes, and to sigh for their forgotten youth.

Official chaperons for the prom were Mr. and Mrs. Harry I. Sebert, Mr. and Mrs. Frank Bublitz and Mr. and Mrs. C. I. Davis.

Committees in charge of arrangements were headed by Margaret Harris, Kay Sebert and John Otzen.

Music for the dancing was furnished by Cliff Aspergren's orchestra.

Miss Eleanor Schoepke, who suffered internal injuries in an auto accident three weeks ago, is recovering rapidly. She will remain at the hospital about three weeks.

Knitters To Model Hobbies At O.E.S. Style, Card Show

Those ardent knitters whose needles have been busily clacking during the past year will display their finished products at a style show of knit garments which will be given at the Presbyterian parish hall on this Thursday evening. The O. E. S. Girls club are sponsoring the event at their annual card party which is to be held on that evening.

Men's, women's and children's garments will be modeled by their proud owners, and any one considering taking up such a fascinating hobby will surely want to attend.

A feature of the fashion show will be the emphasis placed on knitted apparel for the "larger" and "older" women, and will prove that slenderizing and attractive fashions can be created and worn becomingly by matrons as well as the slim young girls.

The Garnette Knit Shop will furnish the models and descriptions of the apparel, which will include sweaters, dresses, and suits and hats.

Tickets may be secured from any member of the Girls' club, or one may fill a table and get tickets at the door. All are welcome.

Number 666 is a lucky number, Henry Kennicott believes, as he was presented with the prize toaster set at the field house at the firemen's dance Saturday, after purchasing one ticket, number 666.

Youth vs. Age War Forecast For America

A coming class conflict in America—not between capital and labor, but between youth and age—is forecast by Prof. Frank G. Dickinson, University of Illinois economist.

"As a result of the decreasing birth rate and increasing life span, by 1980 one of every six persons in America will be 65 or over, instead of as now one of each 16 persons," he asserts.

"During the next 40 years we must adjust our social, economic, and political life to an aging population. By 1980, individuals over 65 will have increased from the present eight and one-half millions to twenty-three or twenty-five millions; not one to every nine breadwinners as now, but one to every three and one-half."

"It will be the greatest cultural and social change since the fall of Rome," the Illinois economist says. "One of every four voters will be over 65. Pension taxes may take one-fourth of the income of workers and employers."

"It will be a class war led by the 'pensionnaires,'" says Professor Dickinson. "Dr. F. E. Townsend's ideas will be as important to the changes of the next half century as Karl Marx's were to the last. The class war between old and young will replace the struggle between labor and capital."

"With the increase of the aged, democracy may degenerate into 'votocracy.' Both present parties may be smashed by the 'pensionnaires.'"

"The party in power will pay the smallest possible pensions. The party out of power will promise the sky. It will be a struggle between generations. The hand that rocks the rocking chair will rule the nation."

Esther Koepfen Of Mt. Prospect Weds Robert Kuhl

The West Northfield Evangelical Lutheran church on Milwaukee ave., was filled to capacity last Saturday evening when Miss Esther Koepfen, only daughter of Mr. and Mrs. Fred Koepfen of Mt. Prospect, became the bride of Mr. Robert Kuhl, son of Mr. and Mrs. Wm. Kuhl of Arlington Heights.

Rev. Fechner, pastor of the church, read the service before an altar banked with ferns and large baskets of shower bouquets of gladioli and carnations. Sixty lighted candelabra in the aisle and on the altar, furnished the soft light for the ceremony, which was performed at 7:30 p. m.

Four friends of the bride, Misses Mavis Kunisch, Phyllis Kunisch, Alice Kuhl and Shirley Koester sang "Because" and "The Wedding Song" preceding the ceremony, and added greatly to the beauty of the wedding in their long aqua formal.

Mr. Frank Schmiede played Lohengren's wedding march as the bride entered the church on the arm of her father, who gave her in marriage. Her gown was of white slipper satin and lace fashioned with long train and lace inserts. Her tulle veil was held in place with orange blossoms, and a net tiara. She carried a bride's bouquet of white sweet peas, lilies of the valley and roses. Miss Bernice Ratke of Arlington Heights was maid of honor and was gowned in yellow net and lace with a matching turban; her flowers were blue sweet peas.

Mrs. Harold Benhart, of Roselle, Miss Viola Mueller of Arlington Heights, Miss Adeline Erber of Elmhurst, cousins of the bride and Miss Evelyn Finnern of Norwood Park, served as bridesmaids and were gowned alike in aqua net, with matching net turbans. Their flowers were yellow sweet peas.

Mr. Bert James of Chicago was best man for his cousin, and Mr. Harold Koepfen, Mr. Vernon Koepfen, brothers of the bride and Mr. Harold Kuhl and Mr. William Kuhl, Jr., brothers of the groom served as ushers.

Following the ceremony, some three hundred guests attended the wedding reception, which was held in Ray's hall on Milwaukee ave., where dancing was enjoyed. A late supper was served to the many guests.

The bride's mother wore an aqua crepe dress and the mother of the groom was gowned in flowered print, their flowers were white sweet peas.

The young couple will make their home in Arlington Heights at 711 North Dunton ave. The groom is starting in the body and fender repair business in Arlington Heights.

Friendly Class To Give Hostess Luncheon Tues.

The Friendly Class of the Presbyterian church will hold their regular monthly meeting May 14 in the church parlors and will complete plans for their hostess luncheon which will be given on May 22, at 1:30 p. m. in the church dining room.

Following the luncheon, Mr. Howard Fenwick Cannon of Oak Park will present two book reviews and will discuss several other current best sellers. Mr. Cannon has appeared before an Arlington Heights audience once before this year, and was greatly enjoyed.

Educators Debate University vs. College

DOES a woman's college impair a girl's chances for ultimate marriage? Or is she better off completing her education there than she would be in the possibly more distracting atmosphere of a co-educational university? Helping a daughter to decide such a question is of greater importance than many parents realize, according to Wainwright Evans, educator, pro-university, versus Joseph K. Folsom, Professor of Sociology, Vassar College, who is pro-college.

"Men and women," says Mr. Evans in the May issue of Better Homes and Gardens, "not only normalize each other, but they stimulate each other. Contact with girls helps the callow youth toward the mental maturity of manhood; contact with men helps a girl toward the bloom of womanhood."

Mr. Evans is of the firm belief that attendance at a university gives a girl a much greater chance of marriage than attendance at a college. His point is that the segregation of sexes is apt to induce in a girl, either a man-hating frigidity or an over-developed male consciousness.

Professor Folsom, who presents his side of the debate in the same issue of Better Homes and Gardens, refutes the possible damage to marriage chances of a woman's college by quoting figures. Says he: "The marriage rates of the alumnae of the 'big seven' (women's colleges) which were apparently the greatest sinners against matrimony, have steadily risen. Roughly, 75 percent are now destined for marriage."

Professor Folsom feels that women's colleges have a definite value in the American scheme of living. The very attitude of independence which such institutions tend to foster is a protection to our advanced thinking, he says. Such independence not only will keep America from back-sliding into the old sex-inequality so glaringly apparent in Germany today, but will tend to improve the quality of marriage, in his opinion.

King's Heart to Battle
In Robert Bruce's last years he wished to join a military expedition to the Holy Land. Knowing that he would die before fulfilling his desire, he requested his friend, Lord James Douglas, to take his heart after death and carry it into battle. Douglas placed the heart in a silver casket and carried it into the battle in which he perished. One of his knights recovered Bruce's heart and took it back to Scotland, where it is buried in Melrose abbey.

Frederick August Engel of Bensenville, passed away at the Elmhurst hospital, Monday morning, May 5, 1940, at the age of 51 years, 1 month and 26 days.

Mr. Engel was born March 10, 1887, in Fayette county, Ill.

He was united in marriage to Miss Louise Wille in 1912 at Amarillo, Texas.

This couple lived in Du Page county for the last 7 years and for the past 3 1/2 years at their present location a little north of Bensenville.

Mr. Engel leaves to mourn his sudden departure his loving wife "Louise" and 6 living children.

Mrs. Emma Quandt of Bensenville.

Mrs. Theresa Goodman of Long Grove.

Willard Engel, Elmer Engel, Helen Engel and Edwin Engel, all at home.

2 sons in law and 5 grand children.

3 sisters, Mrs. Minnie Busse, Mrs. Tillie Deeke, Mrs. Cordelia Ruben; four brothers, Mr. Gustav Engel, Mr. August Engel, Mr. Otto Engel, Mr. Martin Engel.

Father, Mr. Gustav Engel of Farina, Ill.

Funeral services were Wednesday afternoon, May 8, at 2 p. m. at Dzur & Karstens at Roselle and at 2:30 p. m. at the Roselle Lutheran church, Rev. Mehlberg officiating. Interment in Roselle Lutheran cemetery.

Mrs. Caroline Harmening

Mrs. Caroline Harmening, nee Beerberg, passed away at the home of Mr. and Mrs. Charles Bliese, 218 West Slade Street, Palatine, Sunday night, May 5, at the age of 89 years, 4 months and 15 days.

Mrs. Harmening was born Dec. 20, 1850, in Segelhorst, Hessen, Germany, came to the United States at the age of 17 years with her parents and made their home in Husho Grove, Ill. On April 23, 1871, she was united in marriage to Mr. Frederick Harmening. This couple always made their home in Palatine township, on a farm about 3 1/2 miles west of Palatine. Twelve children were of this union, 4 passing away in infancy, and 1 daughter, Minnie, passed away at the age of 17 years. Another daughter, Mrs. Ida (Wm.) Haffercamp, passed away at the age of 39 years and another daughter, Mrs. Anna Borchart, at the age of 67 years.

Mr. Harmening passed away Dec. 21, 1911.

Mrs. Harmening leaves to mourn her departure 5 living children: Mrs. Sophie Behrens of Palatine.

Mrs. Henry Harmening of Palatine.

Mr. Fred Harmening of Palatine.

Mrs. Cary Richter of Palatine.

Mrs. Lydia Bliese of Palatine.

Four sons in law and one daughter in law.

Nine grandchildren and 6 great grandchildren.

Funeral service Thursday afternoon at 1:30 at the home of Mr. and Mrs. Charles Bliese at 218 W. Slade Street, Palatine, and 2 p. m. at the St. Paul's Evangelical church at Palatine. Interment will be in the Mt. Hope Cemetery at Highland Grove. Funeral arrangements by Karstens.

Boxing Card

(Continued from page 1)

Golden Glove Champ, believing that he has a chance to win although the fight will be a hard one.

150 Lb. Class
narry Sparrow vs Dave Abrams

Harry Sparrow was the runner up in the Tournament of Champions this year losing a split decision to Savior Canadeo who went on to win the Inter-city and International titles. Many experts figure that Sparrow is just as good as Canadeo. This is a chance to see why he has such a good reputation when he fights Dave Abrams.

122 Lb. Class
Tony Bausone

Teddy Sparrow
Teddy Sparrow is still a youngster who shows promise of being a top rated amateur in a year or two. He is coached by his brother, Harry, who has brought him up to a point where he is a match for Tony Bausone the present Illinois Athletic Club Champion.

128 Lb. Class
Al Reasoner vs. Frank Bausone

Another brother act is on the card. Frank Bausone, who is as famous as his brother Tony, is a former C. Y. O. champ. He meets Reasoner who is on his way up the boxing ladder.

160 Lb. Class
Peter Lopez vs. Sam Alonzo

Getting back to the bigger boys, Peter Lopez, who has punched his way to a Novice Golden Gloves Championship, will try to add to his string of victories by putting away Sam Alonzo another tough scrapper.

135 Lb. Class
Louis Bobek vs. Wayne Fidler

Bobek, the City Park Champ will meet his equal in Fidler who is a former C. Y. O. Champ. This is one of those fights that is so even it is impossible to predict who has the best chance to win.

Extra Bout
Andy Parks vs. Fat Ciangi

At 120 lbs. Parks, the runner up in the C. Y. O. Tourney will meet with Ciangi who was the North Side Golden Glove titleholder. This bout will be just as good as any of the others.

Amateur fights are noted for being unpredictable in outcome and it is not unusual for the favorite to be stretched out on the canvas by a lad who is unknown. This fight card is one that can have many surprises in it.

One advantage in having the show in the high school gym is that everyone will have an excellent view of every bit of action. The ring will be raised and a battery of lights will hang over it. The farthest seat from the ring will be but only 40 feet away. Besides being able to see that right hand punch land on someone's chin you will be able to hear the resulting smack.

The opening bout will begin at 8:15. The doors will open at 7:00 o'clock. Ticket sellers and takers and the ushers will be members of the Arlington Redwings ball team. These boys are promoting the show but are leaving the fighting up to someone else.

Bringing a show of this high calibre to Arlington gives the Northwest Suburban fans an unusual opportunity to see the outstanding amateur fighters in and around Chicago. Some day one of these boys may be a world champion. The amateur stage is a stepping stone into the professional ranks which every world champ goes through.

Hillside News

by LEONA GETNER

Don't forget the meeting of the Wilson P. T. A. Friday evening, May 10, at 8 p. m. All members are urged to attend. It has been said, and justly so, that a school having an active P. T. A. is blessed. It can do for the child and the school things that come under no other heading. It also awakens the Parents to the best co-operation between the home and the school, giving the child a sense of security in both places.

Just to remind you of the card and bunc party to be held Friday evening, May 17, at the Arlington Club, on Rand road, 1/2 mile south of Palatine road, see Mrs. Wm. Curtis for tickets.

Any one having perennials or any kind of flowers to spare, take them to the Wilson school, as the Mothers plan to beautify the grounds.

Congratulations to Ralph Smith, who celebrated his 15th birthday on Monday, May 5.

Mr. and Mrs. Delmar DeHart spent the week-end in Wisconsin.

Mrs. Fannie Wood spent the week end visiting with her granddaughter, Mrs. George Grossi.

Mrs. Smith and Ralph spent Saturday shopping in the City.

Sunday callers at the Thorsen home were Mr. and Mrs. Arthur Oberwetter, Mr. and Mrs. John Thorsen, Mrs. Ellison and Sons from Chicago.

Congratulations to Andy Wallor who celebrated his birthday Wednesday, May 8. His mother and dad Mr. and Mrs. Otto Wallor came out from the city to help him celebrate.

Mrs. Alex Hamilton is visiting her sister in Berwyn.

Mrs. Cora Rechel spent several days visiting with her daughter, Mrs. George Grossi.

Hillside extends a hearty welcome to Mr. and Mrs. John Robins and daughter Lillian who recently moved into their new home on Rand road which they purchased from the Durban.

Mr. and Mrs. John Maloyn who formerly lived on N. State road, have moved to their new cabin camp on Moose Lake, near Hayward, Wis. Friends and neighbors will always be welcome.

Mr. and Mrs. Andy Wallor spent the day Saturday in Milwaukee.

Mrs. Johanna Sartory and son, George were Sunday callers at the Getner home.

Taxpayers Jam Office Of County Treasurer For Record Collections

Because of the unusual rush at this time to pay 1939 tax bills—over 5,000 taxpayers jammed the County Treasurer's office Monday to pay over \$400,000. County Treasurer John Toman again urges the taxpayers to use the mails in payment of their bills and avoid hours of waiting in line in the county building.

Personal checks, not accepted last year, will be taken now as will certified checks, cashiers' checks, money orders and bank drafts.

Monday's collections set a record for both money and crowds for so early in the collection period. Usually, says Toman, the rush does not come until four or five days before the penalty date, June 1.

The early payment, he says, indicates that the property owner has become tax-minded and realizes to pay when the bill is due not only saves penalties, but keeps the property out of the delinquent bracket.

In the first six days of collection—May 1 to May 6 inclusive—Toman has collected over \$3,500,000. This amount was paid to his cashiers in cages in the county building. Over 1,200 parcels of mail await opening and Toman says those payments may send the collections for the first six days of collection to \$5,000,000.

Toman says those who pay by currency, should make certain that they pay only to authorized cashiers in cages and to no one else.

Choral Club Of The First National Bank Presents Good Program

The concert presented by the First National Choral club last Friday evening was very well received. The chorus under the direction of G. Franklin Richards presented the following numbers: Piano Solo "Whims," Schumann; "O Irish Hills," Lester; "Rolling Down to Rio," German; "New Year's Eve," Protheroe; Duet "Will you Remember," Romberg; "My God and I," Serge; "Precious Wee One," Forsyth; "Gloria in Excelsis," Mozart; Solo "The Blind Ploverman," "Swiss Skiing Song," Krone; "Alexander," Parks; "Parade of the Wooden Soldiers," Jessel; Solo "The Brown Bird Singing," Dorel; "Tingle-ling-ling," Friml; "Morning," Speaks-Baldwin; "God Bless America," Berlin.

The members of the Choral club are all employees of the First National Bank of Chicago who love to sing, and who have chosen this very worthwhile way of spending much of their leisure time during nine months of the year.

The sixty-five members of the chorus, dressed in attractive maroon colored robes completely filled the local stage and created an impressive picture in themselves. The club came to Wheeling highly recommended, and by their performance proved themselves more than worthy.

The Ladies Society of the local church are glad to have had the opportunity to offer this outstanding musical event of the year to the community.

Scotties Texaco Tigers defeated Heidorn's Sweet shop in a ball game played on the local diamond on Sunday afternoon, the score reading 12-11 in favor of Wheeling.

Little Nancy Mae Clark is very happy over the arrival of a baby brother, born to her parents, Mr. and Mrs. Geo. Clark at the Swedish Covenant hospital in Chicago on Monday, May 6.

The Kinderwater family moved to Chicago last week. The Riney Schmidt family has moved into the residence which they vacated.

Miss Marilyn Miller spent the week-end at Wauwatosa, Wisconsin with a college friend.

Members of the Wheeling bowling teams enjoyed their annual dinner, marking the close of the bowling season last Wednesday evening. The dinner was served at the Riverside Inn, and as the wives, husbands or sweethearts were included there were forty-two persons who enjoyed the sumptuous chicken and steak dinners and the fellowship of the evening.

Friday readers of the Herald are reminded of the supper being served this evening in the Community gym, sponsored by the Presbyterian Dramatic club. A one-act play is being thrown in free, with two performances scheduled, one at 7 and one at 8 p. m.

Mrs. J. A. Schminke and Mrs. L. Koebein were Wheeling callers on Sunday. Mrs. Schminke is waiting for a few more warm days before she opens her home for the summer.

Mrs. Robinson, of Michigan, is visiting here with her daughter, Mrs. F. Sattler.

The Mothers Study club meets with Mrs. John Nielsen on Friday afternoon.

Everyone who enjoys string and accordion music will be interested in the concert recital to be held in the Community gym on Friday evening, May 17, by pupils in the Northwest Guitar club. Admission will be 25 cents and all proceeds will be applied to musical supplies for the student members of the club.

Five delegates from the local church attended the semi-annual North Suburban Young People's Rally last Sunday. The rally was held at North Chicago, with a fine attendance of 150 young men and

women representing the eleven Presbyterian churches in this area. A program rich and varied held the attention of all from the opening hour of 3:15 to the adjournment at 8 p. m.

Rev. D. C. Morrison attended a luncheon for ministers as a guest of Moody Bible Institute on Monday. Following the luncheon, a tour was conducted for the visiting pastors which included a visit to the broadcasting station WMBI.

The 500 club met last week with the Gemmills at Mount Prospect. High scores for the evening were held by Mrs. Gemmills and Mr. Henry Grandt with Mr. and Mrs. Robt. Utpadel being second.

John Harvey Day, Jr., received the sacrament of Christian Baptism during the morning worship service at the Presbyterian church last Sunday. Besides his parents, his grandmother and great grandparents were present to share the service.

Barbara Schwab celebrated her sixth birthday last Wednesday afternoon with the help of relatives and friends.

PRESBYTERIAN CHURCH

Sunday, May 12

Morning worship, 10:55 o'clock. This will be a special service in two respects. First, as a Mother's Day service and secondly, a guest speaker, Miss Irene Forsythe, will present the work of our church on the mission field in China. Miss Forsythe is a fellow-worker in the Tsingtau station where Rev. R. G. Conradt who is acquainted here, also labors. Miss Forsythe is a student at Wheaton College during her furlough. She plans to bring with her a Chinese student, Mr. Paul Fan, also from Tsingtau.

Sunday church school, 9:30 a. m. regular session for primary classes. Upper classes will attend regular church service.

Retiring officers of the Prospect Heights Improvement Association are pictured above. Standing, left to right: William Lancaster, president; Homer Torreyson, secretary; Jerome Moeller, financial secretary. Sitting, Edward Miller, treasurer, and Jens Nielsen, vice-president. Homer Torreyson has been retained as secretary for the coming year at the annual election of officers held last week. The picture was taken last year at the annual picnic.

New Officers Flected for Prospect Heights Association

During the past year Prospect Heights Improvement Association was piloted by their first regular corp of officers. During the year the association held their annual picnic in Prospect Heights, and there was a Christmas party at the school for all of the children in the community. The association also sponsored their first dance. It is hoped that the association will continue to grow, as has our community, and that the new officers will have as splendid a year in 1940, as did the officers of last year.

At the annual meeting last Wednesday the officers elected for the ensuing year were Mr. William Spears, president; Mr. George Moritz, vice president; Homer Torreyson, secretary; Roy Bolt, financial secretary. Lots of luck to the association and the new officers during the year.

The next regular meeting of the Improvement Association will not be held until Wednesday, June 19, according to the revised constitution.

White Shirt Brigade, Boy's Choir, To Appear On Mother's Day

Prospect Heights Sunday school, Palatine and Schoenbeck roads, offer special features Mothers Day when Lance B. Latham of the North Side Gospel and his White Shirt Brigade, a choir of 17 boys, will have charge of the service.

C. V. Baker To Address Teachers' Meeting On Cumulative Records

Division Two professional meeting will be held at the Cleveland school, 8145 N. Kildare avenue, Niles Center, Thursday afternoon, May 16, beginning promptly at 4 o'clock, according to Milton W. Bollman, Asst. County Supt. of Schools.

Dr. R. W. Tyler, Dean of the School of Education, University of Chicago, will speak on the subject

Mr. Latham and the boys have traveled all over the country, and are in great demand, and the community is fortunate to have them for Mothers Day.

Mr. Latham is a nationally noted Evangelist, and his special Mothers Day message, together with special singing and music appropriate to the occasion will no doubt appeal to many.

The service will start at 10 a. m. and will continue until 11:30.

LANCE B. LATHAM, evangelist and director of the boy's choir, will deliver a Mother's Day message at the Prospect Heights Sunday school, Palatine and Schoenbeck roads, this Sunday.

of "Evaluation." A brief review of what is being done by a Cook County Committee on pupil accounting or cumulative records will be presented by Supt. C. V. Baker, of Arlington Heights, a member of the committee.

Mr. and Mrs. Joe Maxwell were guests Sunday at the Jim Nielsen home.

Friday evening Mr. and Mrs. Jerome Moeller entertained Mr. and Mrs. Frank Portman and Mr. and Mrs. Rudolph Lhotsky. The folks enjoyed the evening playing cards.

Congratulations to Billy Lancaster, Jr., who celebrated his eighth birthday on Saturday, May 4. Billy entertained a number of his school mates, among them Geraldine Mueller, Heather Hartke, Margie Olsen, Arthur Jr., and Bobby Brownell, Tommy Rowader, Ronnie and Joe Knollmueller, Jackie Olsen, and Marvin Schaffer, also his little sister, Alice. The kids enjoyed delicious birthday cake and ice cream and had a grand time playing games.

Miss Eva May Ramspeck, sister of Mrs. Buehrer, enjoyed a very pleasant week-end at the home of her sister and brother-in-law.

The Girl Scouts held their regular Saturday morning meeting at the school and during the afternoon they journeyed over to the Tidd farm where they had a grand time making barbecue sandwiches, etc. The girls expect to enjoy many Saturday afternoons over at the Tidd place.

Sunday afternoon Mr. and Mrs. Allord entertained at dinner Dr. and Mrs. J. E. Pinter and children, Mary and Jimmy. Mr. and Mrs. L. Zoeller, all of Milwaukee, Mr. and Mrs. W. C. Pinter, and children, Margaret, Dorothy, and John, also Mr. Gerald Pinter, all of Downers Grove, and during the evening Mr. and Mrs. Richard Pinter of Chicago dropped in for a visit with the rest of the family, all of the Pinters being brothers of Mrs. Allord.

Mr. and Mrs. Homer Torreyson are the proud owners of a brand new Studebaker. We certainly wish them lots of luck and pleasure with their new car.

Little Lolly Hartke was a very sick baby for a couple of days this week, but just at present she is feeling a little better.

Monday evening Mr. Schwennesen enjoyed dinner with Mr. and Mrs. Roy Hartke. Later that same evening Ellen's old friend, Miss Ann Anderson drove out and surprised the folks.

Sunday afternoon Mr. and Mrs. Gerald Walker were guests at the home of Mr. and Mrs. Tom Underwood.

Mrs. Clarence Johnson has been on the sick list for some time, and at this time we are glad to report that she is getting along nicely, and able to get out in the garden a little each day. A regular visitor at the Johnson home has been Mrs. M. Dorpal, who is a very old friend of Mrs. Johnson. We hope that Mrs. Johnson will continue to im-

prove, and be her old self again real soon.

Prospect Heights To Hear Safety Expert

"Applauding Safety Education" will be the subject of a talk by Lincoln H. Liptincott, national secretary of the "Not Over 50 Club," at the Parent-Teacher association meeting Tuesday evening at the Wheeling Center school. This talk was arranged by Mrs. W. H. Spears president of the Parent-Teachers.

Liptincott has been engaged in educational and safety work for the last 20 years. At present he is a member of the faculty of the Northwestern University. In 1932 and 1933 he taught insurance at the John Hopkins University at Baltimore and has directed the educational department of several large insurance companies.

Mrs. H. Henrickson, dist. director of Illinois Congress of Parents and

Teachers, will also make a short talk and install the new officers, Mrs. John Burch as president; Mrs. Roy Bolt as vice president; Mrs. W. H. Spears as secretary, and Mrs. L. Palm as treasurer.

The entertainment portion of the program will include a safety play by the pupils of the 5th and 6th grade and a folk dance demonstration in costumes of their own make by pupils of the 7th and 8th grades.

Following the business there will be a social hour and refreshments will be served by the hospitality committee which is headed by Mrs. Ed. Mueller and Mrs. Frank Raupp.

Scouts Looking Forward To Camping At Oh-Da-Ko-Ta

For lounging on the shore, digging in the garden, sailing a boat, in fact for summer, the May Good House-keeping suggests shorts, shirt and pin-flore of cotton. The shirt may be solid color and the shorts and pin-flore different colored stripes.

Plans are being completed for a fine program of scouting at Camp OH-DA-KO-TA, this summer for the Boy Scouts of the Northwest Suburban Council was announced by M. C. Rhodes, chairman of the Council camping and activities committee. The camp folders giving the details are being distributed to all scouts and scouters, and it is expected that registrations will be pouring into scout headquarters in the very near future.

It is very important that every troop attend camp as a troop and with their own leadership where possible, and it is also important that every troop select the periods as soon as possible in which their troop expects to attend in order not to disappoint any of the scouts, states Scout Executive Donald E. Kyger.

Last year a number of scouts were not able to attend camp because they waited too long to get their registrations into Scout Headquarters.

Camp OH-DA-KO-TA is located on Dyer Lake, near Slades Corners, Wisconsin, 1 1/2 miles north of Route 50 and about 12 miles east of Lake Geneva.

Scoutmaster C. J. Taylor of Troop 6 Des Plaines will again serve as director of the pioneer unit of camp and Scoutmaster James Neagles Jr. of Troop 18 Wheeling will also be a member of the senior staff and will have charge of special hikes and trips away from camp. It is planned to have several canoe trips each period down the Fox River for the older scouts and this innovation will provide a very popular part of the camping trip and also provide opportunity for special training.

Scout Executive Donald E. Kyger will serve as associate camp director and will spend a portion of each period in camp. The personnel of the junior staff has not been completed but the camping committee has selected life scout Robert Dunsmore of Troop 3 Park Ridge to be one member of the staff.

Camp OH-DA-KO-TA has been selected by the national council for the location of the Region 7 camp directors and troop camping school to be held the week preceding the opening of camp. The summer season of camp will consist of six one week periods starting June 23 and closing August 4.

Registrations accompanied by a 50c registration fee, which is returned if the Scout does not attend, should be sent to scout headquarters through the troop as soon as possible.

Taverns Selling Liquor To Drunken Driver Sued For \$40,000

Adeline Thustup and Walter How, have filed suit in Superior court for \$40,000 damages each against three proprietors of country taverns for injuries in an automobile accident caused by a drunken driver. The taverns allegedly charged with selling liquor in excess to this party who is not named are Andrew Hostnick's Lotus Gardens in Northfield, Max Schodtbaum's Lincoln Main Tavern, Niles Center, and Alfred Parent's Skokie Gardens at the county line. The collision is stated to have occurred April 13, last year on Skokie blvd., a mile north of Willow road.

Attorney Waylays Golf Club Creditors Until He Becomes One

The long complicated affairs of the Bunker Hill country club at Niles Center have been added to with another suit by Attorney John O. Wagner, in Superior Circuit court against Elsie Anderson, reputed owner of the controlling interest in the property. He asks for \$40,000 and interest for legal services over several years. He claims she agreed to pay him that sum for fighting off creditors in 1933, and later reorganizing the club under the bankruptcy law. He alleged she has not paid him anything and claims including interest \$50,000 is now due him.

Boy Hit By Laundry Truck Asks \$25,000

The Niles Center Home Laundry has been sued in Superior court for \$25,000 damages by John Fitzgerald, a boy of 10 years, through his mother, Marion Fitzgerald. It is alleged a laundry truck hit the boy while riding a bicycle Oct. 9 on Greenleaf ave., injuring him seriously.

SEEKS DIVORCE

An Old Flame Plagues Dagwood and Blondie In "Blondie On A Budget"

"Blondie on a Budget," newest and best of the richly human domestic comedies based upon Chic Young's popular comic strip, opens Friday at the Catlow Theatre with Penny Singleton and Arthur Lake portraying Blondie and Dagwood. The Columbia film, in which Rita Hayworth is prominently cast, relates the hectic misadventures of the Bumsteads when an old flame returns to single Dagwood, while Blondie "burns." Others in the cast are Larry Simms, as Baby Dumpling, Don Beddoe and Danny Mummert, as Alvin Ruddle, Thurston Hall, Fay Helm and John Quen.

The dramatic adventures of two sister nurses, one a courageous and loyal, the other—youngeer, frivolous and neglectful—form the basis of RKO Radio's "Vigil in the Night."

Carole Lombard and Anne Shirley portray the two dissimilar ladies in this picturization of the widely read A. J. Cronin novel concerning the nursing profession. Brian Aherne, as a noted doctor, is cast as the male lead.

Produced-directed by George Stevens, "Vigil in the Night," features supporting roles of Julien Mitchell, Robert Coote; Brenda Forbes, Rita Page, Peter Cushing, and Emily Fitzroy.

Now that war clouds bring back into popularity a form of motion picture that dates back to World War times, the studio prop shops are digging deep.

The Warner Bros. spy film, "British Intelligence," coming to the Catlow Theatre Tuesday, is of the World War period. Props had to be unearthed which the company acquired through various deals, absorptions and amalgamations, dating back to 1916. It may go down in film annals as the first picture of a new era: war with sound and no punches pulled. The famous old war pictures, it will be recalled, were all made before the screen began to talk.

Double featured on Tuesday with "British Intelligence," is "Women Without Names," with Ellen Drew, Robert Paige, Judith Barrett and John Miljan.

A COLUMBIA PICTURE

"Girl Friday" Wild, Witty New Comedy

The year's wildest, wittiest whirlwind of romance, according to ecstatic advance reports, opens Sunday Monday and Tuesday at the Palatine Theatre with Cary Grant and Rosalind Russell co-starred. The film is Howard Hawks' "His Girl Friday," a Columbia romantic comedy with Ralph Bellamy featured.

"His Girl Friday" is said to be a sparklingly racy riot which brilliantly interweaves romance and laughter. Grant is seen as the maddest man who ever ran a newspaper; Miss Russell is his capricious, captivating star reporter, and Bellamy the fuming, fretting insurance agent to whom she is engaged. Against a background of drama and tragedy, this splendid screen triumphs move through excitingly hilarious events which top and climax each other in breathless fashion.

Robert Montgomery has eighteen costume changes in "The Earl of Chicago," which plays this Friday and Saturday. Sixteen suits were worn for his characterization of a Chicago gangster in the story of a thug who becomes an English nobleman by inheritance. As the Twelfth Earl of Goriery, he has only two changes. Research proved that a gangster is more likely to be better dressed than an Earl.

New Blondie Hit At Des Plaines Sunday

The latest and by far the best in the series of Bumstead family pictures is "Blondie on a Budget" which opens Sunday at the Des Plaines Theatre co-featured with Ronald Colman's new success, "The Light That Failed." Based on the cartoon comic strip created by Chic Young, "Blondie on a Budget" features Penny Singleton as "Blondie," Arthur Lake as "Dagwood" and Larry Simms as "Baby Dumpling."

Currently the Des Plaines Theatre is offering "Adventure in Diamonds" and "The Man Who Wouldn't Talk." This combination is scheduled to close its two-day engagement on Saturday night.

Cards Win Pitching Duel With Niles, 1-0, On One Hit

Arlington Nine Leads Northeast League Race

Face Zion-Benton At Recreation Park This Saturday

The high school baseball team will play Zion-Benton at Recreation Park this Saturday. Local fans who have been unable to see the Cardinals play in their current campaign will have an opportunity to do so. This is the only varsity game scheduled on a Saturday date.

The Cardinals now lead the Northeast Conference flag race by a full game with three to go. Niles and Leyden are tied for second. Arlington will meet Warren, Woodstock and Niles in that order. Leyden and Niles meet this Friday. After that Leyden will play Warren and Woodstock while Niles meets Woodstock and Arlington.

The fate of the Cardinal drive for an undisputed championship will hinge on that final game with Niles. The other two games also offer possibilities of upset, as each team possesses several good hitters.

Bensenville Frosh-Sophs Defeat Leyden

Palatine Relay Team Breaks Proviso Records, Cop Trophies

Mac Says-

by GERALD A. MC ELROY

History is repeating itself. In 1938 Lake Forest lost the Palatine Relays on a disqualification. This year Palatine lost the same way. In 1938 Lake Forest followed up this setback by grabbing off several trophies at the Proviso Relays. This year Palatine came back to cop two first place relay trophies at Proviso. In 1938 Lake Forest followed up by qualifying a couple of boys for the state track meet and winning the Northwest Conference title. Will Palatine continue this repetition and send a couple of boys to Champaign and win the conference? It is possible.

Cipri Good In 440

Palatine's best bet in the District meet at Evanston Saturday appears to be Cipri in the quarter and Langhoff in the half mile run. Cipri's quarters of :52.7 and :53.5 as lead off man in two relays at Proviso mark him as a possible district place winner. Saturday was the second time he had tried the 440 since he ran it as a freshman two years ago. Senne, winner of the Palatine Relays 440 in :53.8 will also be a district threat.

Makes Rapid Improvement

Langhoff, a sophomore, has run the half mile in six meets with the following records which indicate rapid improvement: 2:18, 2:16, 2:13, 2:09.5, 2:11.2, and 2:06.6.

The last mark was his 880 as anchor man on the record breaking medley relay team at Proviso. This is his first year of track. Hollinger, who has just started to run the 880 after two seasons running the quarter, was timed in a dual meet in 2:11.8 last week and will get another trial in the district. Trepus, a five minute mile, will run that event at Evanston.

State Final Requirements

In the district meets the winners of first and second places in each event qualify for the state meet at Champaign to be held May 17-18. In addition any boys who reach certain marks in the district also qualify in spite of place. These qualifying marks are as follows: 440, :53.4; 880, 2:05; mile 4:45; shot put, 47 ft.; high jump, 5 feet 10 inches; broad jump, 21 ft.; and pole vault, 11 feet 8 inches.

Arlington has a boy who is a good bet to go to the state meet. We refer to George Milligan who can jump the 5 feet 10 inches required to get in the state by a wide margin. He is also a second place possibility in the discus which will probably be won by Green of Maine. Hahnfeldt and Fink of Palatine have both hit 120 feet in practice and might surprise in this event. Arlington has another possibility in Harth in the high jump.

It appears this year that the LaGrange district meet will be tougher than the one at Evanston if that makes any difference. Both are rated the tops in the state by a wide margin and usually produce the state champ. Bensenville will have to compete at LaGrange while Arlington and Palatine go to Evanston. At Evanston the strong teams will be the host school plus Maine, New Trier, and Highland Park. At LaGrange will be Oak Park, Proviso, LaGrange, Naperville, Morton, York, etc.

Save Themselves For Prom

At the Proviso Relays Saturday, one of the Arlington boys told us that about six members of their track team who were entered in the meet did not go because they did not want to tire themselves out for the prom that was being held that night.

Conference Meets Coming

In just two weeks the Northeast and Northwest conferences will crown their track champions on May 24. The Northeasters will stage their annual event at Niles this year with Crystal Lake a cinch to take the trophy in the opinion of this writer. Arlington, Lake Forest, and Libertyville will vie for the runner up spot with Leyden fifth and Niles, just taking up the

Palatine came through with record breaking performances in both the mile relay and the mile medley relay at the Proviso Relays Saturday and brought home two fine trophies to show for their efforts. The Pirates lowered the Medley relay mark from 3:53 to 3:48.9 and the mile relay record from 3:38.2 to 3:37.6. Bensenville also helped give the Northwest Conference prestige by taking a third place trophy in the 880 relay.

Pirates Second

As a result of their 20 relay points, Palatine finished the meet in second place among a field of 13 class B teams. Naperville the winner scored 25-1/5. University High of Chicago was third with 16. It was Naperville's open competition points in the pole vault, high jump, and discus which won them the meet as Palatine led all the class B teams in relay points. The "B" division was made up of schools having an enrollment of under 1000 students. Palatine was the smallest institution entered in the meet.

Oak Park Wins Open Class

Oak Park won the "A" division with 44 points to 41 for Proviso. Other schools finished in the following order: New Trier, Washington of Milwaukee, Highland Park, Morton, LaGrange, Schurz of Chicago, York, Maine, Sullivan of Chicago, Crane Tech of Chicago, Lane Tech of Chicago, Joliet, Evanston, Tilden, Glenbrook and Waukegan.

Five Boys Run for Palatine

Just five boys, four juniors and a sophomore, were responsible for winning Palatine's two first place trophies. Anto Cipri, Silas Trepus, Robert Hollinger and John Senne, all juniors, averaged :54.4 for their quarters to cop the mile relay in 3:37.6 and establish a new record. Cipri who was first runner turned in a remarkable :52.7 quarter mile. The old record was held by Naperville.

Smash Medley Record

In the medley relay the Pirates established a new record of 3:48.9 which smashed the old mark by four and one-tenth seconds which Lake Forest had set last year. In the medley, Cipri led off with his second quarter mile of the afternoon in :53.5, Hollinger and Senne ran the 220 yard sections of the race and James Langhoff, a sophomore, turned in a 2:06.3 half mile to give Palatine a decisive margin in the event.

Bisons Win A Third Place Trophy

Bensenville took the bronze trophy in the 880 relay with Speckman, Pomplum, Thomas and Baumgartner doing the running. Crystal Lake was first and Naperville second in this event. University High was fourth and Libertyville fifth. The winning time was 1:35.0.

Following Palatine in the mile relay were Argo, Wheaton, University High and Naperville. Ten teams ran in the medley and other place winners following Palatine were Naperville, University High, Wheaton and Lake Forest. Gold plated trophies were given to the winners of every relay while seconds got silver and thirds received bronze prizes.

Two of the outstanding performances of the meet were in the weight event where Sabin of LaGrange tossed the 12 pound shot 54 feet 7 inches and Kalchik of Washington High of Milwaukee heaved the discus 154 feet 10 inches. Highland Park and New Trier were, like Palatine, double winners in the relay events. There were a total of six open class relays and three "B" relays.

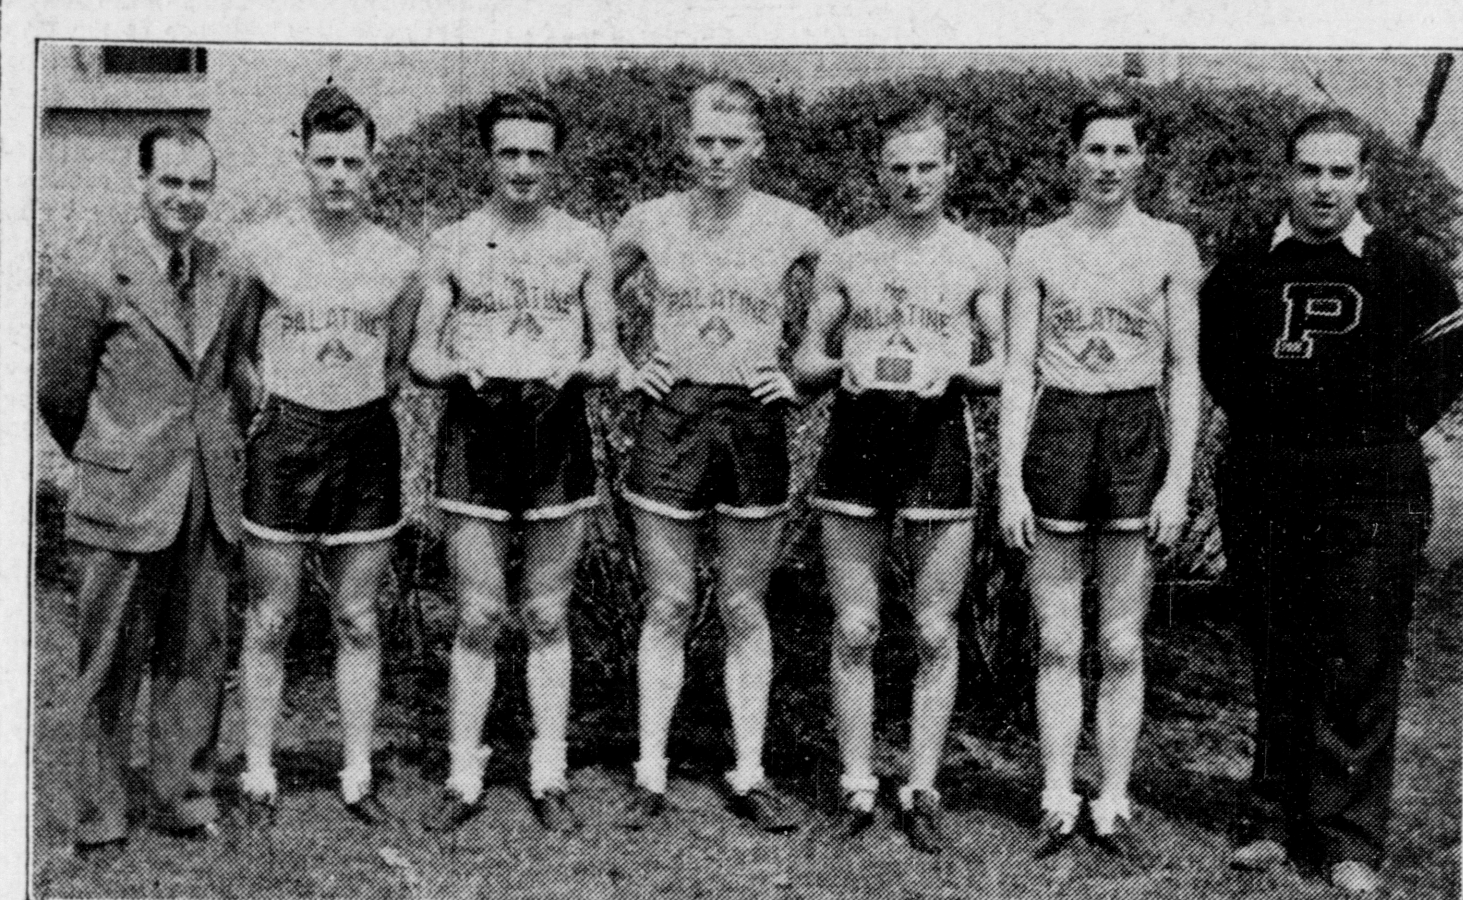

Wilson 4th in Mile

In addition to points won by Northeast Conference schools in the relays it is worthy of note that Wilson of Crystal Lake captured 4th in a very fast mile run and Bacon of Lake Forest took 5th in the 100 yard dash. These were the only individual running events on the program.

Print All The News

"A small town turns lively not to say piquant at times. Were we to print all the news, everybody would be grabbing for the paper, and not a few would be grabbing the editor. It would be exciting, but, shucks, money isn't everything. Not if you got to hide out in the woods and can't come to town to spend it. The country town editor should save all this elegant material and write a book about things that never got into the paper. After it was published, he could join the Foreign Legion."—Stockton Herald-News.

Palatine's Record Breakers

Members of the Palatine relay team which made two records in the Proviso relays in the Class B division for schools with less than 1,000 students. Palatine was the smallest school represented and placed second in its class. The Pirates lowered the medley and mile relay marks. From left to right, Coach G. A. McElroy, Robert Hollinger, Anton Cipri, John Senne, James Langhoff, Silas Trepus, and Manager Hale Hildebrandt. All of these boys are Juniors with the exception of Langhoff who is a sophomore.

Arlington Beats Woodstock Loses To Crystal Lake In Track Meet Tuesday

Crystal Lake displayed plenty of running ability Tuesday night by trimming both Arlington and Woodstock in a triangular meet held on the Laker's fine athletic field. Arlington was able to hold her own at the field events, but was no match for Crystal Lake on the cinders.

Their combination of Rehberg and Vynalek swept the sprints. Wilson took a double in the mile and the half mile. Vynalek drove in with another win in the low hurdles. Schneider beat the field over the high barriers and their crack relay team capped the 880 event. Only in the 440 were they stopped. Schmitt of Woodstock running first with Schwolow of Arlington second.

Geo. Milligan scored nineteen points with three firsts and a tie for first in another event. He won the shot, discus and broad jump and tied for the high jump, normally his specialty. Vynalek with 13 points was next high.

Arlington was well pleased with their two young milers, Niemeyer and Rodgers, who ran 2nd and 4th, and the vaulting of Ken Bowlin, a sophomore, who cleared 9 ft. 8 in. These boys are going to be real help to Arlington's track prestige in the future.

Educational Consolidation

Gradual disappearance in Illinois of non-high school districts is a worthwhile step in the increase of equal education opportunity for all students at no increased cost, notes the Pike County Democrat-Times. The move eliminates competition for students of non-high districts, reduces the non-high district debt problems, and relieves small high schools in localities of little assessed valuation from the necessity of trying to maintain an accredited school.

A Walk, Single Put Arlington Out In Front

Busse Whiffs Batter With Bases Loaded; Strikes Out Twelve

Ed. Boyk and Bob Busse hooked up in another of their tight pitching duels Tuesday and again Busse came out on top, by a score of 1-0. Boyk allowed one hit, a single by Bob Firnbach in the third inning, but it came behind his only walk and drove in Mel Gams for the winning marker.

Busse gave up two hits and two walks, besides bruising Niles' shins twice on close pitches, but was too tough in the pinches. He struck out twelve men.

A cold, raw wind, fresh from Lake Michigan, made players and spectators miserable. Both pitchers ignored it and turned on the heat. Boyk was in trouble only in the third inning, when Arlington scored. In no other inning did a Cardinal reach first base but Firnbach saw to it that once was enough.

Busse struck out eight men for the first eight put-outs, but in the second inning he hit a batsman and walked two to load the bases with two out. He struck out Druce to end the threat.

In the fourth inning Kirchhoff drew errors on two successive men as he played fast grounders off the cuppy infield. This time Busse whiffed Nelson to close the inning. Druce opened the fifth with free transportation as a close pitch flicked his shirt. He was nailed at second on Gams' perfect peg a moment later. Huscner singled, but Miner lined gently to Koenig and Boyk fled to Koenig in center.

A hit by Sullivan in the sixth followed the first out. Domas attempted to sacrifice and hit a double-play ball to Busse who threw wildly to Koenig at second. Koenig made a startling catch of Reiland's low pop-up and Koenig did a circus juggling act on Nelson's high fly, but held the ball. The Niles team went out in order on eleven pitches in the seventh.

Arlington fans will be able to see these teams play a return engagement on Tuesday, May 21, at Recreation Park.

Scientists Answer 'Food Pill' Dreams At Univ. of Illinois

Writers of fantastic fiction love to forecast that some day humans will obtain all the energy of a steak dinner simply by swallowing a little pill. One of the reasons why this forecast will not come true soon is shown at the University of Illinois.

Six pounds of Threonine, one of the 22 amino acids essential to life, have been synthesized in the university chemistry laboratory. The cost is \$900 a pound. The 2 or 3 grams needed every day in a human's diet would cost about \$5.

The other 21 amino acids, of which the protein in human diet is composed, would make the cost of a day's "food pills" something like \$100. That is for the protein alone. The diet also contains fats and carbohydrates.

Home Entrance Light

A home owner will be repaid many times over in convenience and safety in installing a front-door or entrance light. Such an entrance light, in addition to making unnecessary groping in the dark for door or keyhole, can prove an attractive feature. Such lights can be controlled from the inside of a house.

Cleaning Varnished Floors

Varnished hardwood floors that have never been waxed should not, as a rule, be washed with water. However, if they are badly soiled they may be gone over with a cloth wrung from slightly soapy water, followed by a second wiping with a rag moistened with clean water. Wipe dry immediately and polish with a oil-treated mop.

Old 'Make 'Em Sweat' Idea Out at U. of I.

They've taken the Indian clubs and medicine balls out of the "physical education" classes at the University of Illinois. The old time idea of "making 'em sweat" 30 minutes a day, twice a week, has given way to a "sports curriculum" in which students learn activities they continue outside of class and for years to come.

Ice skating, tennis, bowling, bait and fly casting, swimming, golf, and social dancing are among the popular subjects. The schedule lists 33 different courses for men and 15 for women. These are the general courses, entirely separate from professional courses to train physical education teachers and athletic coaches.

"The purpose of a college or university—of any school for that matter—is to teach activities useful in life," says Dr. S. C. Staley, director of the School of Physical Education. "A good life includes leisure. We help educate for that by teaching golf, or tennis, or skating, or swimming."

A recent survey showed that tennis is the most popular course, followed by softball and skating, bowling and golf.

Two-Faced January

As early as 251 B. C. the Romans accepted January as the beginning of the year. They named the month in honor of Janus, the two-faced god, as looking both into the past and the future. During the Middle Ages the year was made to begin at various dates. In England, in 1752, January was made the first month by act of Parliament.

Flowers Appropriate On Mother's Day

"In mother's memory wear flowers white; For living mothers, flowers bright."

These two lines written by Ann Jarvis of Philadelphia in honor of her departed mother were the beginning of our present nationwide participation in Mother's Day, officially started in 1908.

This Sunday, millions of men, women and children will wear "flowers white or flowers bright" as an outward token of their respect and love for the woman who went down into the valley of the shadow of death that they might live.

Today women often favor beautiful corsages, especially if their mothers are living, rather than only the single bright, or white, flower originally intended to set this day apart.

Among seasonal white flowers which can be worn to honor the mother who has returned to the valley, iris, gladioli, snapdragons, double stock, tulips, gerbera daisies, gardenias, roses and carnations lend themselves beautifully to this public tribute.

Most of these flowers can be had in the bright, gay shades which denote the living mother.

Men will find a few blue cornflowers, a single red carnation or red rose the perfect buttonhole tribute to the living mother; a white gerbera daisy, white carnation or small sprig of feverfew are the accepted flowers for men if their mothers have passed on.

High Pressure
At the bottom of the great deep of the Pacific near the Philippines (9,788 meters) the pressure is over 960 times as great as the ordinary pressure of air at sea level—equivalent to the weight of a column of mercury nearly half a mile high!

Squirrel Amnesia
Traces of a squirrel suffering from amnesia some 800 years ago have come to light at Miranda, Calif. In cutting down a giant redwood more than 1,300 years old, John D. Bushnell found a squirrel's cache in which it had hidden its winter supply of acorns and apparently forgotten about it.
